June 15, 2022

Dear Sir/Madam:

Greetings from the Philippine Society of Information Technology Educators Foundation Inc!

The start of AY 2022-2023 is fast approaching, and the likelihood of having In-Person teaching and learning is already upon us. In this regard, the preparation for faculty members should focus not only on their technical capacity to deliver such modality but also on their mental health. It has been more than two years since most of us conducted in-person teaching. A lot of changes have happened both to the faculty and the students. With this frame of mind, we would like to invite you on July 22, 2022, from 9:00 a.m. to 12:00 p.m. to a webinar entitled "The Challenge of Returning to In-Person Teaching: An Emotional Preparedness Webinar for Face-to-Face Teaching and Learning."

If you have not renewed your membership or if you are not yet a member but would like to attend, there is a minimal registration fee of 600 pesos which is inclusive of the individual membership and webinar fee. If you are already a member for AY 2022-2023, you just have to pay 100 pesos for the webinar fee. Below are the payment details for your reference.
